To Whom It May Concern:

The following product for which you requested a Material Safety Data Sheet is not defined as hazardous by the OSHA Hazard Communication Standard or the UK Chemicals Hazard Information and Packaging (CHIP) regulations and an MSDS sheet has not been developed. Therefore, I am sending you this letter in place of an MSDS for this product.

<u>Catalog No.</u>	<u>Description</u>
GR140-500	Caliber™ Agarose

Even though the above listed product is not defined as hazardous by the OSHA Hazard Communication Standard or the CHIP regulations, the material should be handled with appropriate caution and under competent supervision. Good manufacturing and laboratory procedures should be used. Protective gloves, safety glasses, lab coat and access to a safety shower and eyewash are recommended.

If you have any questions, please contact me at 415-550-3473 or by email at gebre.gebremedhin@hoeferinc.com.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gebre Gebremedhin', with a horizontal line drawn through it.
